“Studying abroad was the best decision I have made in my college experience. Choosing to study abroad was an intentional decision to branch out from my comfort zone, expand my education and broaden my opportunities after graduation. Living in a foreign country taught me how to adapt quickly to new situations, interact with people from all over the world and how to appreciate everything I have in my home country.”

Denmark
is an experience where you live and study in a foreign
country. You’ll learn about a different culture and develop
new skills that will be valuable in the future.

Immerse yourself in a new way of learning and choose from
a variety of opportunities such as volunteering, interning and
working toward your degree.
BENEFITS OF STUDY ABROAD

1) SEE THE WORLD
Open your eyes to great possibilities and immerse yourself in a new culture, customs and activities.

2) LEARN
Experience a different style of learning and see a new side of your major. Program options are available for students from any major.

3) PREPARE FOR YOUR FUTURE CAREER
You’ll return with a richer perspective on your education, improved language skills and a toolbox of intercultural competencies that will make you desirable to future employers.

4) GROW
Studying abroad pushes you to learn more about yourself. You’ll be tested at times and you’ll gain confidence as you adapt to diverse situations.

SCHOLARSHIPS AND FINANCIAL AID

Students are encouraged to apply for study abroad scholarships. Most scholarship deadlines fall between November and April for study abroad conducted during the next academic year. NDSU scholarships have deadlines of Oct. 1 and March 1 for the upcoming terms. For a complete scholarship listing, visit www.ndsu.edu/studyabroad/scholarships

NDSU STUDY ABROAD SCHOLARSHIPS

John and Susan Wold
International Scholarships
Through a series of generous scholarships, John and Susan Wold encourage local NDSU students to expand their horizons abroad.

NDSU Miles Study Abroad Scholarship
The Office of International Student and Study Abroad Services awards free airline tickets to NDSU students with financial need who will be studying anywhere in the world.

James A. Meier Study Abroad Scholarship
Established by James A. Meier, this scholarship encourages study abroad experiences for students who have a lively intellectual curiosity and openness to new ideas.

NDSU Klai Study Abroad Scholarship
John R. Klai II and his husband, Jon Sparer, created this scholarship to support students as they learn about the world through a study abroad experience.

NDSU Kevin and Jean Melicher Family Scholarship
The Kevin and Jean Melicher Family Scholarship is for students who have declared a major or minor in an academic field directly related to health care.

Other Scholarships
Regional and national scholarships are available, including scholarships for students in STEM majors, first-generation college students and individuals from diverse backgrounds. Veteran’s benefits may apply on select programs.

FINANCIAL AID

Students enrolled in a study abroad program can use financial aid and alternative loans toward their program costs. Start an application for instructions to learn about the next steps.

“It has taught me about myself and about the world. I now feel more ready for challenges the future will bring.”
